(not included in website but can be ordered for cost of printing and shipping;
pegburnsoo@gmail.com those oo's are zeroes)

38 short (4-6 pages) biographies which contain a bit more information than the bio and object card material. All focus on the fact that the Nonviolent Follower of Jesus stayed true to Gospel Nonviolence through all circumstances. (Staying true means despite possible or periodic failure or sinfulness that Nonviolence is always, is known to be always the Way of Jesus; violence is never be justified.)
