

Come, O Wind of Brotherhood

Words and Music
Paul Leichty

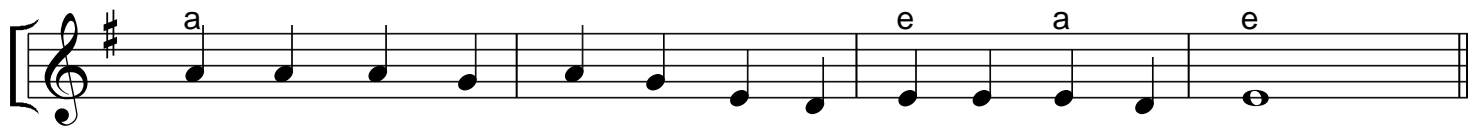

1 Come, O wind of broth-er-hood to ev - 'ry heart,
2 Come, O come and show the way of truth and light,
3 Come, O breath of life, re - vive our ver - y soul,

stir us in - to ac - tion each to do his part.
guide our ev - 'ry ac - tion, be our one de - light.
seize us with your pow - er, come and take con - trol.

Fill us with your - self and all your lov - ing pow'r and
Make us all as one so we can real - ly move, and
Fill us with the life that no one can de - ny, and

make us feel your pres-ence ev - 'ry day and ev - 'ry hour.
use what - ev - er gifts we have in ser-vice and in love.
joy and peace will o - ver - flow and nev - er - more will die.

Wind of broth-er-hood, blow o-ver the land, lift the wear-y heart of

ev - 'ry lone-ly man. Show to thy peo-ple there is a bet-ter

way, that liv - ing for each oth - er brings a bright new day.
